

1. Title VI Policy Statement¹

The Gallatin Airport Authority (“GAA”) assures that no person shall on the grounds of race, color, national origin (including limited English proficiency (LEP)), sex (including sexual orientation and gender identity), creed, or age, as provided by Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987 (PL 100.259), Section 520 of the Airport and Airway Improvement Act of 1982, and related authorities (hereafter, “Title VI and related requirements”) be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity that receives U.S. Department of Transportation (DOT) funding. Title VI also prohibits retaliation for asserting or otherwise participating in claims of discrimination.

GAA further assures that every effort will be made to ensure nondiscrimination in all of its programs and activities, whether those programs are federally funded or not. GAA agrees, among other things, to understand the communities surrounding or in the flight path, as well as customers that use the airport. Anytime communities may be impacted by programs or activities GAA will take action to involve them and the general public in the decision making process.

GAA requires nondiscrimination assurances, as prescribed by FAA, from each tenant, contractor, and concessionaire providing an activity, service, or facility at the airport. Assurances must be included in any related lease, contract, or franchise agreement between GAA and each tenant, contractor, and concessionaire, as well as in any similar agreements with their own sub-tenants and sub-contractors.

The Title VI Coordinator (“Coordinator”) Scott Humphrey (406) 388-6632 ext. 117 scott.humphrey@bozemanairport.com is responsible for overseeing the Airport Sponsor’s compliance with Title VI and the point of contact for all airport Title VI matters and related responsibilities, including those required by 49 CFR Part 21.

The GAA will complete standard grant assurances for Title VI and related requirements, in the form prescribed by FAA. https://www.faa.gov/airports/aip/grant_assurances/current-assurances

Clauses/Covenants

- a. All contracts, leases, deeds, licenses, permits, and other similar instruments, contain the contractual requirements and clauses, in the form prescribed by FAA. Unlike many other clauses, Civil Rights clauses are required in all contracts. Also, special clauses that are required for certain types of contracts, such as land acquisition.
- b. GAA requires Civil Rights clauses to be included in solicitations and contracts for all subcontractors, subleases, and any other agreements. GAA uses standard language in all RFPs/RFQs and contracts/agreements that is regularly reviewed by the Coordinator.

Description of Oversight Methods for Subcontracts

Standard templates are used in all subcontracts related to the airport program. Subcontracts will be audited by the Coordinator to verify they include the template language, for not less than 25 percent of contracts each year.

4. Title VI Coordinator Responsibilities

The Coordinator is responsible for ensuring that they and other staff supporting the Title VI Program are trained in Title VI requirements. Essential training topics include:

- Basic Title VI requirements
- Airport language assistance resources and practices
- Collecting and assessing demographic data
- Reporting Title VI complaints and other required FAA notifications.

Among other responsibilities, the Title VI Coordinator:

- Proactively ensures that the Airport Sponsor is in compliance with nondiscrimination requirements of Title VI and reports to GAA leadership on the status of Title VI compliances.
- Responds promptly to requests by FAA for data and records and for the scheduling of compliance reviews and other FAA meetings to determine compliance with Title VI and related requirements.
- Receives discrimination complaints covered by Title VI and related requirements, and forwards them to the FAA, within 15 days of receipt, together with any actions taken to resolve the matter.

- Provide the FAA with updates regarding its response and status of early resolution efforts to complaints concerning Title VI and related requirements (49 CFR Part 21, Appendix C(b)(3)), including resolution efforts.
- Annually reviews the airport's Title VI plan and disseminates information throughout staff and Airport leadership.
- Coordinates data collection to evaluate whether racial or ethnic groups are unequally benefited or impacted by airport programs. The data will be regularly assessed and readily available upon request (49 CFR § 21.9(b) & (c)). Data collection methods will include optional demographic questions in: airport customer satisfaction surveys, customer complaints, airport event sign-in sheets, and bids/proposals for airport contracts, and other methods described in the airport Community Participation Plan (CPP).
- Maintains demographic data for staff and board members. Identifies any disparities compared to the community. Provides information to the membership selecting official/committee, particularly when vacancies occur.
- Maintains a copy of 49 CFR Part 21 for inspection by any person asking for it during normal working hours (49 CFR 21, Appendix C (b)(2)(i)).

See Notice, Compliance reviews, Audits, Lawsuits, and Other Investigations, and Complaints Sections of this Plan.

The Coordinator has access to the Title VI portion of the FAA Civil Rights Connect System.

5. Notice

49 CFR Part 21 Appendix C(b)(2)(ii)

GAA will conspicuously display the FAA-provided Unlawful Discrimination Poster in all public areas on airport property, including those with pedestrian activity. The Coordinator ensures that these posters are visible, accessible,² and maintained. The poster template is available at <https://bozemanairport.com/reports-and-statistics-title-vi> and a completed copy is attached. See Section 15 Appendix.

The GAA has posted the above Title VI policy statement at its staff offices. The GAA will distribute this Title VI Plan among its employees and airport contractors, concessionaires, lessees, and tenants. This plan will be distributed by December 31, 2023 by e-mail and tenant meetings.

Posters are displayed in the terminal and other areas on airport property, including the following public locations:

Outreach to Affected Communities

The GAA ensures that notices for public meetings reach all segments of the community. The Coordinator will identify the effective media platforms to share announcement and notices. Announcements are made on the Airport’s social media page, the Bozeman Chronicle and Airport website. The Airport office maintains records of all such notices and the efforts made to reach each of the Affected Communities and leaders/representatives in Affected Communities directly to confirm effective media platforms to reach all Affected Communities³ and provide important feedback on translated materials. The Airport office maintains records of all such notices and the efforts made to reach each of the Affected Communities.

Detailed information on our public notice and outreach procedures will be available in the GAA’s Community Participation Plan (CPP) which will be create by March 1, 2024. When complete, a copy of the CPP will be posted on the Airports website <https://bozemanairport.com/reports-and-statistics-title-vi>

To ensure that the community is effectively informed of and able to participate in public hearings, The Coordinator includes public notices translated into appropriate languages, including for any language spoken by a significant number or proportion of the Affected Community population that has limited English proficiency (LEP). Such social media postings and notices will include direction for obtaining an interpreter, free of charge, for public hearings. 28 CFR § 42.405(d). See Limited English Proficiency (LEP) Section.

6. Community Statistics

Title VI regulations require Federal grant recipients to know their community demographics. See 49 CFR § 21.9(b). By knowing this information, the GAA will be able to identify, understand, and engage with communities. In doing so, the GAA needs to know about communities eligible to be served, actually or potentially affected, benefited or burdened by the

³ We will not subject any persons to discrimination based on race, color, national origin, age, sex, or creed. The term “protected communities” is used within this Title VI Plan to highlight the requirements of Title VI, 49 U.S.C. § 47123, the Age Discrimination Act of 1975, and in some instances, includes low-income populations under Executive Order 12898.

(Hereafter, the above communities will be referred to collectively as “the Affected Communities”).

We have identified the following facts about the Affected Communities:

Low Income Communities⁵

A low-income area is an identifiable group of persons living in geographic proximity, whose median household income is at or below the Department of Health and Human Services poverty guidelines. Pursuant to Executive Order 12898, “Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations,” GAA is collecting information about affected and potentially affected low-income communities. According to the U.S. Census Report S1701: Poverty Status in the Past 12 Months, the overall poverty level for the Gallatin County that includes the Affected Communities is approximately 11.4%. The poverty rate remains slightly higher compared with the rest of the Gallatin County. The poverty rates for the specific Affected Communities are as follows [

Affected Communities	Poverty Rate
Bozeman CCD	12.5%
Belgrade CCD	9.3%
Gallatin County	10.7%

Racial and Ethnic Communities.

Demographic data for race, color, and national origin was evaluated to identify racial and ethnic communities and populations in each Affected Community. The demographic composition by race, color, or national origin for the specific Affected Communities are as follows:

⁴ “Affected communities” means any readily identifiable group potentially impacted by an airport project or operation, such as the community immediately surrounding a project or a community in the flight path.

⁵ Low-income data must be collected to assist in our compliance with Environmental Justice requirements (not Title VI requirements). For example, this data will be utilized in our Community Participation Plan (CPP) to help ensure the meaningful involvement of low income communities in airport programs and activities.

Limited English Proficiency (LEP).

The goal of all language access planning and implementation is to ensure that the GAA communicates effectively with limited English proficient (LEP) individuals. Effective language access requires self-assessment and planning. The next table lists non-English languages⁶ that are spoken in LEP households in the Affected Communities. The data source is US Census Bureau B16001.

The threshold we have used for identifying the languages with significant LEP populations is the DOT LEP Policy Guidance safe harbor threshold, which is 5% or 1,000, whichever is less.⁷ The safe harbor threshold for Gallatin County which encompass both Bozeman CCD and Belgrade CCD and surrounding area. The Safe Harbor Threshold is 1,000. *Please refer to the end of this document to find data for all languages in our community.*

⁶ Recommend using language groups from the U.S. Census, and using data for the “Speak English less than ‘very well’” category for each language over the threshold.

⁷ See the DOT LEP Policy Guidance at <https://www.federalregister.gov/d/05-23972/p-133>. The safe harbor provisions apply to the translation of written documents only; however, it provides a consistent starting point for identifying significant LEP populations.

Beneficiary Diversity.

GAA does not currently collect demographic information from airport customers, attendees at community meetings, businesses seeking opportunities at the airport and GAA board members but will begin voluntary request for demographic information.

Description of Beneficiary Demographic Information Collection Methods

- The Airport currently collects survey information beyond the passenger checkpoint to gauge passenger satisfaction with airport concessions, restroom cleanliness, food offerings, and other elements and services. The survey will include a voluntary request for demographic information.*

⁸ Data should be kept up-to-date, but this plan does not need to be updated for incremental data changes during the Plan's 3-year period.

- *Participants, pre-bid meetings, and other public meetings will be asked to complete an anonymous survey that includes demographic information.*
- *Job applicants will be asked to submit a voluntary request for demographic information during the application process.*
- *Board members will be asked to complete a voluntary request for demographic information.*

Staff

GAA does not currently collect demographic information from airport employees but will begin collection through voluntary disclosures.

Description of Employee Demographic

Staff will be asked to submit voluntary request for demographic information during recurrent training.

7. Potential or Known Community Impacts

Projects or services receiving federal financial assistance have the potential to touch so many aspects of American life. Thus, in general, no GAA activity must have a discriminatory disparate impact on the basis of race, color, national origin (including LEP), sex (including sexual orientation and gender identity), creed, or age. This means that policies or procedures that have a disparate impact would require a well-documented substantial legitimate nondiscriminatory justification, summarized below. Impacts to protected communities must be avoided or minimized to the extent possible. No project with a discriminatory impact on protected communities will be undertaken.⁹

The following airport facilities are already in use or under construction and expected to be in use within the next 3 years.

Existing Airport Facilities	Affected Community Impacted by Operation of the Facility
RWY 12/30	Belgrade/Belgrade CCD
RWY 11/29	Belgrade CCD
RWY 3/21	Belgrade CCD
Airport Terminal	Bozeman/Belgrade CCD
FBO's	Bozeman/Belgrade CCD
Flight Schools	Belgrade CCD
Rental Car Facility (RAC)	Bozeman/ Belgrade CCD

The following airport facility projects (including all alternatives) are in construction or expected to be in construction within the next 3 years:

⁹ In order to carry out an alternative with a discriminatory impact, the airport sponsor must demonstrate that there was a substantial legitimate justification for the decision. The sponsor must also show that alternatives with less discriminatory impacts were meaningfully considered and rejected for legitimate reasons.

We have analyzed the above existing facilities and facility construction projects for disparate impacts on the basis of race, color, or national origin (including LEP) in Affected Communities. The following have disparate impacts: **None**

8. Limited English Proficiency (LEP)

Executive Order 13166

In creating a Language Assistance Plan, the GAA will consider the volume, proportion, or frequency of contact with LEP persons in determining the appropriate language assistance to provide.

GAA currently does not collect data for languages spoken by airport guests but will monitor increase in LEP contact.¹⁰

Additionally, the Coordinator will inform leadership and staff of GAAs responsibility to provide language access. The Coordinator will also actively engage with community educators, community groups, places of work, business groups, social groups, and the like to confirm that translation and interpretation services are accurate and effective. Additionally, the Coordinator will inform leadership and staff of the GAA’s responsibility to provide language access.

Description of Interpretation Assistance Processes

- The airport employs two staff members who speak Spanish; the airport has Language Identification Cards I-Speak on its website and contracts with Language Line Services Inc. to provide on-demand telephone translation services for airport guests. Airport staff and public safety use I-Speak cards to identify language spoken. Airport staff and public safety then contact Language Line Inc. via tablet or mobile device to request appropriate language assistance.

9. Transportation

49 Part CFR 21 Appendix C (a)(1)(ix)

In the Community Statistics section of this plan, we identified Affected Communities and provided demographic and related data for the community populations. There are no specific minority or disadvantaged communities within the Affected Communities.

We have coordinated with local transit authority or authorities or planning entities to encourage them to provide transit service access between the airport and these areas.

The following chart identifies existing and planned transit services connecting the airport employment centers with the identified minority and disadvantaged community areas.

GAA does not coordinate with local transit authority or planning entities.

Minority and/or Disadvantaged Community Areas	Transit Service	Planned or Existing
None	None	None

10. Minority Businesses

49 CFR 21 Appendix C (a)(1)(x)

Bids for airport concessions and other business opportunities are solicited from area minority and woman-owned businesses through the following methods:

Airport Business Opportunity	Minority Business Outreach Methods
Food and Beverage	AAAE advertisements, community meetings, local newspaper, civic presentations, local Chamber of Commerce and CVBs, women and minority owned business
Parking Management	AAAE advertisements, community meetings, local newspaper, civic presentations, local Chamber of Commerce and CVBs, women and minority owned business.

Selections are in compliance with Title VI, Part 21, and related requirements. Information on the award process and documentation for specific bid decisions is kept with Title VI Coordinator in the Airport Office.

11. Training

New employee orientation incorporates Title VI training. Topics include:

- Title VI and related laws prohibit discrimination on the basis of race, color, national origin (including LEP), sex (including sexual orientation and gender identity), creed, or age
- Title VI complaints must be forwarded to the Coordinator
- Protections against retaliation for filing civil rights complaints or related actions
- Title VI notices must be displayed throughout the airport public facilities
- All contracts must include Title VI clauses
- Language interpretation and translation services
- Cultural and community relations sensitivity training
- Anti-harassment training

Refresher information will be provided annually.

12. Compliance Reviews, Audits, Complaints, Lawsuits, and Other Investigations

FAA Notification. The Coordinator will notify FAA of any pending investigations and reviews, including:

- Compliance reviews or audits concerning civil rights requirements¹¹
- Complaints, lawsuits, or other investigations alleging noncompliance with civil rights requirements¹²

As discussed in the Title VI Complaints Section, Title VI complaints must be forwarded to FAA contacts within 15 days of receipt. For all other civil rights investigations, the GAA must notify FAA contacts of any new investigations prior to grant execution.

At regular intervals, the Coordinator will provide FAA contacts with status updates for the investigations and reviews, until completed. For each existing investigation or review completed within 5 years of this plan, the Title VI Coordinator will also provide a statement about the outcome, unless previously provided.

13. Title VI Complaints

49 CFR 21.11; 49 CFR 21 Appendix C (b)(3); 28 CFR 42.406(d)

Scope. These procedures are for complaints of discrimination under Title VI and related laws (hereafter “Title VI Complaints.” In order to be a Title VI Complaint, the complaint must:

1. Allege discrimination on the basis of race, color, national origin (including LEP), sex (including sexual orientation and gender identity), creed, or age or violations administrative requirements under Title VI or related laws.
2. Not only be for employment matters¹³
3. Allege misconduct by the GAA including airport employees, contractors, concessionaires, lessees, or tenants.
4. Concern an airport facility or actions by the GAA including airport employees, contractors, concessionaires, lessees, or tenants.

¹¹ Includes any Title VI, ADA, Sec. 504, Title VII/EEO, or other civil rights program compliance review or audit to be performed on the airport sponsor or any of its sub-recipients by any State, local or Federal agency.

¹² Includes allegations of discrimination based on race, color, national origin (including LEP), sex (including sexual orientation and gender identity), creed, or age, whether because of actions of the airport sponsor itself, or its employees, contractors, or tenants. Includes noncompliance with related administrative requirements under civil rights laws.

¹³ Complaints of employment discrimination must be addressed as required by EEOC and other applicable authorities with jurisdiction over employment matters. If an Airport sponsor employment activity is supported by FAA-provided financial assistance or it is alleged that the employment discrimination affects the broader airport program, complaints about that activity must also be reported to FAA.

Rights. Any person who believes that he or she has been subjected to discrimination on the basis of race, color, national origin (including LEP), sex (including sexual orientation and gender identity), creed, or age has the right to file a complaint with the GAA.¹⁴ Alternatively, they can file a formal complaint with an outside agency, such as the U.S. Departments of Justice or Transportation, or the Federal Aviation Administration (FAA), or seek other legal remedies.

Receipt of Complaint. The Coordinator will log in the complaint and promptly send copies of the complaint to the Chief Executive Officer and Director of Human Resources, Training & Development.

Complaints must be filed within 180 days of the discriminatory event, must be in writing, and must be delivered to:

Scott Humphrey – Title VI Coordinator
850 Gallatin Field Road, Suite 6, Belgrade MT 59714
406 388-6632 ext. 117 scott.humphrey@bozemanairport.com

If a complaint is initially made by phone, it must be supplemented with a written complaint before 180 days after the discriminatory event has passed. If a verbal complaint is received, the complainant should be given a copy of the Airport Discrimination Complaint Procedures and instructed to submit a written complaint. Accommodation will be provided upon request to individuals unable to file a written complaint due to a disability.

Initial Procedure. The Coordinator may meet with the complainant to clarify the issues, obtain additional information, and determine if informal resolution might be possible in lieu of an investigation. If successfully resolved, the Coordinator will issue a closure letter to the complainant, record the disposition in the complaints log, and report the resolution to FAA.

Discrimination Complaint Referral Procedure

Internal Complaint Referral. All Title VI complaints must be promptly forwarded to the Coordinator within five (5) working days.

Initial FAA Notification. A copy of each Title VI complaint will be forwarded to the FAA within 15 days of initial receipt (not the date that the Coordinator was notified). The Coordinator will forward a copy of the complaint and a statement describing all actions taken to resolve the matter, and the results thereof to the FAA Civil Rights staff. (Note: complaints based on disability do not have to be forwarded to FAA.) To transmit complaint information to the FAA, the Coordinator will upload to the FAA Civil Rights Connect System, which issues automated notifications to FAA staff. The Coordinator will also seek technical assistance from FAA, as needed, throughout complaint intake, investigation and resolution process.

14

Investigation Procedure

Assignment of Investigator. The Coordinator will immediately begin the investigation or designate an investigator.

Cooperation with FAA. The Coordinator will promptly investigate all Title VI complaints, including those referred by the FAA for investigation. If the FAA is investigating a complaint against GAA, the Coordinator will avoid interfering with the FAA investigation, cooperate with the FAA when needed, and share factual information with the FAA.

Prompt Investigation. The Coordinator will make every effort to complete discrimination complaint investigations within 60 calendar days after the complaint is received. Some investigations may take longer with a justification for the delay and assurance that the investigation is being completed as quickly as possible.
